Dear Jane,

Thanks a lot for your letter! I'm sorry I haven't answered earlier, but I was really busy with my schoolwork. I'm glad that your brother won the school tournament.

Well, I cook the dishes from Eastern cuisine for special occasions. However, we prefer eating out in restaurants on our family holidays because we don't have to clean up after our guests. Sometimes I entertain my relatives, but not very often.

By the way, how old is your middle brother? Does he play some other sports besides tennis? What grade is he in?

Well, I'd better go now as I have to do my homework. Can't wait to hear from you again, so write soon! Good bye.

Yours,
Kirill
